Exactly to your template
- Andiron Cutouts**
- Inside Fit**
A template is required to ensure accuracy.

CHOICE 1: Two Vertical support bars, spaced apart to their liking but a minimum of 6" from each side.

CHOICE 2: One horizontal support bar, located 6" from the top or bottom bar.

FGN Style

Once the measurements meet 40x40, or exceed 44x33, or any combination there of, supports will need to be considered, and possibly required. Following are examples of flat screen support options. * Please note that screens 48" or greater in height require a horizontal support, verticals are not recommended for these heights.
