# FEATURES & BENEFITS OF CHALLENGER DESIGNS

CHALLENGER  
DESIGNS

If you are looking for a sleek, elegant, modern look for your outdoor kitchen, there are many metal outdoor kitchen cabinet brands out there, but cabinets from Challenger offer some unique and important benefits:

## ✓ Weather-Sealed Cabinets

The only weather-resistant outdoor kitchen cabinets with standard weather-sealing to keep belongings protected from the elements.

## ✓ Short Lead Times for Delivery

Use Empire's In-Stock Cabinet Program and get your cabinets delivered in as little as two weeks from approval. Custom cabinets ship in 6-8 weeks from Challenger's headquarters in Indiana.

## ✓ Crafted from Powder-Coated Aluminum

Cabinets won't warp or rot, even in direct sun or cold conditions.

## ✓ Stainless Steel, Self-Leveling Legs Great for Decks or Rooftops

A snap to install on most flat surfaces including decks and rooftops. Finish with a color-matched toe kick for a built-in look.

## ✓ Aluminum, Steel or Stone Countertops

All products are available with our high-quality aluminum or stainless steel countertops or can be built to support any countertop material you source.

## ✓ Fully-assembled - Quick to Install

Cabinets come fully assembled. Screw on legs and drawer pulls, then just level cabinets and attach to each other with 3/4" self-tapping screws.

## ✓ Finished Back Panel Standard

Essential for installing cabinets as a freestanding island, or on a deck where the back of the kitchen will be exposed.

## ✓ Made in the USA

## Limited Lifetime Warranty

Built start to finish in the United States. Challenger Designs, LLC warrants to the original consumer purchaser, for as long as they own their cabinet, that products shall be free from defects in manufactured materials and workmanship under normal use.

## ✓ Custom Cabinet Configurations

Challenger cabinets are modular to create thousands of custom configurations.

# ACCESSORIES & MORE CABINETS

## Finish Your Outdoor Kitchen

CHALLENGER  
DESIGNS

Self-leveling stainless steel legs come standard on all cabinets and install on most level surfaces. However, to give your outdoor kitchen a finished look, clip-on color-matched toe kicks are also available. Casters are possible for smaller kitchens.

ADA-compliant legs available.

Install color-matched toe kicks for a built-in look. See Accessories on page 5 for pricing.

Install casters on straight kitchens up to 93" in length. Requires Outdoor Island Base (OIB).

## More Cabinet Styles and Sizes Available

Although we stock the most common cabinet choices and sizes, Challenger offers many other sizes and specialty cabinets, including those for ceramic grills and EVO grills. If you have a deep-cut grill or power-burner you will need to order a custom cabinet. Call for more information and pricing.

- Inside Corner Base
- Deep Cut Grill Bases
- Ceramic Grill Bases
- 4-Drawer Cabinets
- EVO Grill Bases
- Propane Drawers
