Cancellation Policy: Cancellations made after 48 hours of submitting the order will be subject to a \$100 cancellation fee. This cancellation policy is in effect to cover the engineering and programming time it takes for each custom panel. Custom panels that have already been cut may not be cancelled.

All custom panel orders must include a valid P.O. number and will be made to the specifications on this sheet. Travis Industries assumes no liability for any incorrect information provided on the order form. **Allow for a 4-5 week lead time.** If you have questions please contact Customer Service at 888-298-1616.
