VSK-1
Slim-Line Vinyl Siding Kit

DV-822
Vinyl Siding Vent Kit

Clean and cost-efficient comfort make the DV-210 and DV-215 the perfect heaters to warm your smaller rooms. The slim, compact design allows the heater to tuck out of the way on an outside wall. Quiet burners, a "matchless" piezo ignition, and all the safety features you expect from Empire Comfort Systems come standard.

Optional automatic blowers install easily for more even heat distribution. Our reliable millivolt wall thermostat needs no electricity, so you stay warm even when electric power goes out.

Ideal for bedrooms or studies, wall furnaces add comfort and beauty to any decor.

VSK-2
Slim-Line Vinyl Siding Kit

DV-822
Vinyl Siding Vent Kit

Heat larger areas with Empire's DV-25 and DV-35 Direct-Vent wall furnaces. Delivering room-filling warmth, each furnace is stylishly crafted and fits against an outside wall.

A push of the button ignites the pilot with a "matchless" piezo system. Add an optional internal blower for even greater air circulation.
