Yes: No:

Warranty Claims Guidelines:

- Unit serial number required
- Whereas warranty has expired, replacement parts will be warrantied for 60 days from replacement part shipment date.
- Warranty only applied to the initial owner and residence as registered. Products that have been resold or relocated are not covered under warranty.
- Discoloration and some minor expansion, contraction, or movement of certain parts and resulting noise is normal and not a defect and, therefore, not covered under warranty.
- Warrant does not cover misuse of the product. Mis includes, but is not limited to, over-firing or use of any fuel not recommended by the Owner’s Manual. Misuse of products can cause series damage and will void the warranty.
- Damage to the appliance while in transit is not covered by this warranty but is subject to a claim against the carrier.

MF Fire Use Only
